Brief Completion Report of the Webinar

Title: One day National Webinar on “"COVID 19 Vaccination Drive in India: Current Scenario and Future Prospects" (29/08/2021)

COVID 19 vaccination in India is underway and many crucial facts and myths are there in the minds of students, teachers and others. Our aim is to aware everyone, especially the students about the current scenario of the vaccination drive and let them understand the seriousness of the issue. Dr. Ghatge is a medical officer at Reliance covid care Centre and is a part of the huge Vaccination drive undertaken by reliance foundation. So far, they have vaccinated more than 1lakh beneficiaries in last 3-4 months. As an experienced campaigner of this cause, she was the right person to deliver the talk on this National Webinar. She showed us some ray of hope regarding the future of the COVID 19 Vaccination program and enlightened us about the true picture of the disease. Almost 160 participants have formally registered their names for this webinar form different parts and institution of the country. Some the eminent participants are from abroad also. Feedback have been taken at the end and certificate of participation sent to them accordingly.
