Completion Report of the Programme

The Capability Enhance programme on ' Soft Skill and Career Counselling' on 13th February, 2020, Thursday at Karimpur Pannadevi College is successfully conducted by the Career Counselling Cell of our college in association with RICE, Murshidabad Branch. Almost 120 students of the final year students who desperately need a job after the graduation have got the proper guidance for cracking their job on their respective fields. Along with this they have also enhanced their soft skills which are necessary for the government jobs through this training. The motivation and inspiration provided by the resource persons are also helpful for them to achieve their aim of life and to sustain their economic life. The positive responses and the outcomes of the programme encourage authority to conduct this kind of programme regularly for our students.
