Proceedings, Feedback and Action taken report 2017-2018

Resolution of the 1st meeting of IQAC, of Karimpur Pannadevi College (07/03/2018)

The coordinator well come all the members and introduce the aims, objectives of the IQAC. He stated the responsibility of the cell and the procedure for quality sustenance of this institution. As per the first agenda a threadbare discussion was conducted by the house to judge situation either we shall be able to conduct NAAC or uploading SSR/IIQA in the window of MAY-JUNE's window 2018. The coordinator informed the house that as per the new guideline of NAAC, the format has been changed. Now there are two types of information needs to be uploaded from the institution end- qualitative and quantitative. Again a Student Satisfaction Survey (SSS) will be conducted by the NAAC authority. He also added that the relevant informations which are necessary to fulfill the 7 criteria of SSR will not be possible to gather at all. There may be a risk factor to present the information in order fill the qualitative and quantitative matrix in between two months. Because our aim is not only conduct a peer team visit at the same time our sole objective is to manifest our institutional vision, mission and potentiality in a holistic manner and promote our institution as centre for excellence. After considering the practical situation he asked the house for uploading the IIQA on window of November 2018. Dr. Samit Paul, member as well as Bursar of the college has highlighted that as per the new guideline of NAAC we do not have any proper students track record on the basis of which SSS (Student Satisfaction Survey) could be initiated and at the same time we have some immediate plans for coming months which will definitely increase our institutional credibility and it may be included in the SSR, if we agree to chose November window. After exchanging all the views and opinions the house unanimously decided to upload the IIQA / SSR in the November 2018 window and 2nd week of August 2018 is scheduled to gather and finalize all the criteria wise information of the institution.

As the second agenda of today's meeting has already been discussed in the house so President asked to initiate next agenda. But before that he emphasized about the fact that though our institution is far away from the main city and basically located at the rural town and hinterland area but our main strength belongs to our enthusiastic and energetic young teachers and the present Governing Body of the college particularly the Honourable President who is very much aware of quality sustenance of the institution and keen to enhance the all round development of

the institution. Co operation is all aspect for controlling the quality from our top level management is now our strength and also the opportunity. Our challenge is to keep it up and transformed all negative aspect into positive.

Now coming to the next agenda the coordinator asked the members that we should follow a decentralized pattern to initiate our entrusted duty, because without participation of all the entire work could not be finished. Members are showing their interest to take their assigned responsibility and promised to sum up their work in due course of time. By getting their positive enthusiasm coordinator distributed the different criteria wise programme to the members. As in today's meeting the conveners of different sub-committees were also present in the house so they also took charge of those work which are actually belonging to their own committees. It makes very easy for the cell to prepare the relevant information through proper and systematic way. Coordinator distributed the list of work and activities to be done in due course of time to all sub-committee members. Everybody assure that they complete their entrusted work in stipulated time.

Now coming to the fifth agenda the house discussed a very vital issue that is the proposal of IQAC or the Plan of Actions (POA) for next coming academic year which are need to be place before GB. After a long and valuable discussion the house unanimously decided the following issues to produce before GB and implement those properly. The list has been prepared on the basis of priority after considering every issues raised by the house. Closely related to SSR criteria and surely enhance the effectively, the efficiency and economy of the institution.

- 1. To start-up a process or mechanism by which two hostels of college campus (Girl's hostel and SC/ST) may be run smoothly. In this regard the houses suggested that if we formed a Hostel Committee, a meteor or supervisor for safe and safety and provide other essential facility which can change the mindset of the students of our colleges.
- 2. To enhance the service Quality and the scope of academic necessity a photocopy machine should be installed in Library. It will fulfill two vital objectives i) our rural poor students will get the opportunity to photocopy of vital portion of some valuable and expensive books and at the same time library also able to maintain its own assets under their own custody.
 - ii) In every months college has to spend a large amount of money for photocopying the official documents and some time we had to depend upon the uncertainty of the outlet store. Now if the

college will have its own machine then cost-effective management will be done in a very efficient manner. The house suggests that for students the service will be available from 2.30 to 4.00 p.m. of every working day, except Saturday.

3. <u>Installing the Solar Panel</u>: IQAC thinks that as there is a growing consensus on using renewable energy and reduce the cost of unrenewable traditional source of power. So as per NAAC or SSR guide line it has been found in different criteria that if institution promote to use or practically source of renewable energy or natural-eco-friendly technology them it will increase credit marks and it seems to be a remarkable best practice. In this regard IQAC suggests to install a Solar Panel mechanism for supplying the total electric power of the institution in collaboration with WBSEDCL instead of consuming the existing system of electric source. There are several HEI in West Bengal who have successfully initiated this project and reduce the amount of it electric bill in a very cost-effective manner. So if our honorable GB will take some effective measure to install this Solar Panel, our institution will definitely get its all-round benefit and also maintain the aims of sustainable development i.e.-Reduce, Reuse and Recycle.

4. Applying new courses to the Department of Higher Education of West Bengal:

IQAC has decided that at present in our college the student will get very limited choice of subjects in the available academic infrastructure and if the CBCS will start from the very next year the problem will be more acute than the previous. On the other hand we also need some new relevant and time-tested subjects to cop up with the demands of the locality and promote the Jobopportunity of our students which is one of the most vital missions of this HEI. After a valuable discussion the house unanimously decided that we should open new courses like Honours in-Physics Education, Education, Sanskrit and General course in Computer Science. We also need to use our available infrastructure optimally.

5. Opening New certificate courses

UGC always emphasis on value added courses along with the mainstream H/G Courses for students. Value-added courses will enhance the skill and aptitude of the inspiring youth. If we arrange to open the certificate courses like-spoken English, computer (Hardware/Software) Yoga or other useful short time courses and able to organise a mechanism to execute it properly, then the institution will get credit in the SSR and upcoming NAAC peer team visit. Not only for that

IQAC think that these value added Certificate courses will definitely satisfy the various demands of the youth of this backward area. This will get their choice to up dated themselves more.

6. MOU (Memorandum of Understanding) with other Reputed HEI:

To enhance the institutional academic standers, to promote the faculty exchange programme, to share the virtual class Lectures and library resources and most of all to enhance the scope of knowledge of our students we should initiated MOU with other reputed HEI of West Bengal. It will promote our Institutional facility and open up a new area for sharing the global information. It really be our great achievement that Ramakrishna Mission Sikshanamandira, Belur Math has already given its consent to sing up the MOU with us.

7. Apply Grant for institutional infrastructural development or CSR finding: Initiative for getting fund from other Government and Non-Government Register organization is also treated as one of the vital steps to enhance the infrastructural development like build up smart class room, funding for library resources, green or eco-friendly project etc. At this moment we desperately need some more general class rooms and smart class room with Wi-Fi facility. So if we apply to the Ministry like Minority Development or some benevolent nationalize bank who are providing fund for promoting their Corporate Social Responsibility(CSR) and get positive responses from them will surely help to make our institution more developed and student friendly.

These are the proposals or Plan of Actions (POA) for the upcoming academic year form the IQAC for developing our institution comprehensively.

Step towards Best Practice:

After that the house discussed the issue of institutional distinctiveness by which we can fulfill the criteria of Best Practice from our institutional point of view. In this concern the house decided a new innovative idea like Organizing Popular Lecture Series in every month by our own resource persons (Faculty Members) or hiring form other institution will be the most effective measure for catering specialized knowledge to our stakeholders. It will be treated as our one of the Best Practice. The sole objective for initiating this new discourse are-i) First of all the teachers of our own faculty will get the opportunity to share their own subject specific popular issue before the stake holders, ii) parents and neighboring community will also be sensitized by the deliberation

which is based on their day to day life related issue. iii) A multidisciplinary approach which is going to be highlighted by this initiative will not only enlarge the scope of exchanging ideas of other field but also mobilize the skill of our stakeholders and the teachers will get the opportunity of an academic orientation and updated them with new development of the other disciplines. Let us hope this process of participatory interdisciplinary learning will cater the diverse need of our students. Every month a teacher will deliver his or her popular lecture on the basis of a predetermined schedule prepared by IQAC and duly circulated to the students.

At the end president requests every members of the IQAC, the Conveners of the different subcommittees and Programme officer of NSS to intensify their good effort for doing NAAC in time and to ensure the institutional excellence.

As per Last agenda of today's meeting the house assessed the case of promotion /placement of Sri Kaustav Bhattarcharyya , Assistant Professor of English of the college from Assistant professor (Stage-3) to Assistant professor (Stage-4) under PBAS system of CAS of college teachers on and from 22.12.2016 , vide G.O. No.-920-Edn(CS) dated 31.12.2012(previous date due for promotion is on 11.12.2014 but deferred due to non completion of requisite Refresher course within the stipulated period between the academic years 2012to 2015). Taking into consideration the requisite of career advancement of college teachers under PBAS system and thus going through the testimonial submitted by the Sri Kaustav Bhattacharyya, the IQAC is pleased to consider Committee as directed by the D.P.I., West Bengal for recommendation of his promotion/placement from the post of Assistant Professor (Stage-3) to Associate Professor (Stage-4) on and from 22.12.2016.

The meeting ends with a vote of thanks to the Chair.

2nd Meeting: Resolution of the meeting held on 13.07.2018

As per the 1st agenda of the meeting the coordinator read out the resolution of the previous meeting held on 07/03/2018. He highlighted all the details regarding the status of the decision taken in the meeting. After giving some satisfactory answer against some queries raised by the members the resolution is unanimously accepted by the house.

2nd agenda coordinator informs the house Action Taken Report against the initiative taken in the last meeting for controlling the quality of the HEI. He asserts though several initiatives were taken in the meeting few are approved and implemented successfully by the authority and some are under consideration of the GB(Governing Body). The initiatives like introducing Popular Lecture Series (PLS), MoU with other reputed organization(Ramakrishna Mission Sikshanmandira, Belur Math, Howrah) have been executed by the IQAC. Installation of Solar Panel and introduction of new value added certificate course are still under consideration. The chair who is also the secretary of the GB, informed they house that due to some infrastructure and resource mobilization problem we are now not in position to implement the above initiative. But he is hopeful these programme will be implemented very soon.

New Initiative: According to the 3rd agenda the coordinator requests the house to introduce some new initiative for betterment of service delivery to our students and maintain student data properly.

- a. **Student Booklet:** Instead of Student dairy a student booklet will be more appropriate for our students, where the every record of a students from admission to scholarship, review to receiving marks sheet are getting updated. Institution will also verify and easily track the concerned students by providing the booklet. Some necessary information like rules and regulation/ duties of students in the college campus, the new rule of CBCS and the examination patter and course of study will also be included in the Booklet. It will be very comprehensive in nature and also very helpful for the students.
- b. **Student Management Software:** To maintain updated data and records of existing students category wise an useful student management software is essential for our college. Till we do not have any software in our Institution like this. It helps us to get any complex information regarding student records very quickly and systematically by clicking the mouse. Today at this age of information society when we have to provide different kind of student data in different Higher Educational Authority our mechanism to

- maintain our records more digitally and more comprehensive in manner. Hope if the GB will consider the issue it surely serves the purpose of implementing e- governance in administration.
- c. Collecting E-feedback: To evaluate the quality of all aspect of administrative and academic area there should be a strong and transparent feedback mechanism of the HEI. As we have no practice to collecting feedback from our stakeholders we should developed the issue and started it immediately for advancement of institution. The convener of the IT cell Dr. Samit Paul expresses his valuable opinion on the matter and asked the house the system of feedback mechanism must be paperless and "E" in nature. House provides full consent regarding the feedback issue and given charge to the Feedback and IT cell of the college for its whole management.
- d. Organising workshop on Career Mapping: In this era of ICT the scope of Job is now changing its traditional dimension. Considering this issue IQAC coordinator pointed out that as college is far away from the city and modern technological opportunities the student do not have quality knowledge about the market of government and private jobs, which they can avail after their graduation. To fulfill this objective organising of workshop on Career Mapping or counseling, Skill development and soft skill enhancement is necessary regularly. It helps our student to build their career. It also unanimously supported by the house.
- e. At last the decision has been taken to prepare the Annual Report of the HEI and student charter. House has given the responsibility for the same to the coordinator.

 As there is no issue to discuss, the meeting close by giving thanks to the Chairperson and the honourable members.

Resolution of the Meeting of IQAC held on 12.04.2019

As per the 1st agenda of the meeting the coordinator read out the resolution of the previous meeting held on 13/07/2018. He clarified all the details regarding the status of the decision taken in the meeting. After giving some satisfactory answer against some queries raised by the members the resolution is unanimously accepted by the house.

According to the 2nd agenda coordinator highlighted the action taken report against the initiatives taken in the last meeting, of 13.07.2018. He continued the collection of data and writing of the qualitative matrix is going on systematically. The student booklet and student management software were successfully implemented. The booklet is a unique item that actually works like student dairy. He also informed the house the student portal is being ready for access, where our student will find their internal marks and other information related to college. IT cell has already prepared the E-feedback forms and successfully conducted the process. For the first time the student get the opportunity to evaluate the institution by using completely e-mechanism. Cost of paper is got reduced. A workshop on career mapping was also arranged by the IQAC in association with a local institution. The members of house express their satisfaction by getting the report of progress.

As per the 3rd agenda a threadbare discussion is made to finalize the SSR draft and submission IIQA. IQAC co-ordinator informs the house that our University and Higher Education Council of West Bengal has already given some ultimatum to conduct NAAC, it should not be right to take more time or do delay in uploading the SSR. He highlights the fact that we have already prepared 50% of data necessary for the SSR format. So if we take serious effort it will be fully prepared and get ready to upload on the 1st week of July, 2019. The logic behind selecting the that particular time are many, like we may count the CBCS system, different kind of extension activities which are organised in the last academic year, 2018 and it will surely lead us some productive result. The house agrees with Co-ordinator and given their positive consent to meet altogether for preparing the rest of the work of SSR in the summer recess.

A schedule format of proposed work as per the DVV guideline and NAAC, SSR is handed over the members as per their concern area of specialization and in respect of subcommittees. Coordinator requests the members to collect the data which are prerequisite for substantiate our various claims in proper time. House is agreed with that.

According to the fourth agenda of today's meeting Dr. Samit Paul and Sri Rahul Chowdhury the conveners of the IT Cell of our institution explained the necessity of introducing the **Bar-code tracking system and developed the e-content by every department**. Bar-code tracking will help us to track the student very easily and the office will handle the pressure of the different student related data very systematically and quickly without wasting paper. Moreover the NAAC is giving importance to provide teaching—learning with the help of ICT and by developed E-content and uploaded it on our student portal or college website. The house unanimously accepts the proposal and requests the chair to implement the initiatives as early as possible.

As per the fifth agenda the house has proposed some new initiatives for the upcoming academic year for the quality enhancement of the HEI.

- 1. **Best student Award Progrmme:** IQAC decides to organize a Award giving programme in every year for the Pass-out students and admitted to the higher education institution for pursuing M.A, M.SC or other degrees. It will serve two distinct objectives: a) Institution can easily track its outgoing students and may able to keep information about his/her future academic achievements. b) It surely inspires and motivates the future batch students of the HEI to go far beyond their previous batch. The final result will be better as we expect. The deserving candidates will offer their best performance if we assure the reward.
- 2. **Departmental Seminar:** The coordinator proposed to organize departmental seminar for motivating the departmental students. It will inspire the students how to present the paper, how to write a research paper and to exchange the ideas. Considering the theme of the seminar department can jointly organize the seminar and the former students of the department could be involved. This initiative will enrich the academic environment of the HEI.

Initiative on AAA: As per the NAAC guideline to fulfill the different criteria of SSR, the IQAC have to clarify whether the institution have any AAA mechanism or not. AAA stands for Academic and Administrative Audit, which is necessary for quality sustenance for an HEI. Considering the essence the matter, house appeal to the Teacher-in-Charge to raise the issue before GB and formed the AAA it formally.

Coordinator asked the members that to upgrade our institution the website of the HEI should be more informative and student friendly. Before the admission process we should updated the different information reflected in our college website regularly. In this connection the Teachers profile of all categories must be updated and uploaded the same. The house unanimously agreed on the issue and requests the convener of IT cell Dr. Samit Paul to design a common format for collecting the information.

Introducing the Certificate Course: Again the Coordinator informs the house there are some criteria on the SSR quantitative matrix where we are not getting score due to our weakness for introducing the different academic add-on or value added courses or to organize any certificate programme of behalf of our institution. Organising courses on Certificate program for 30 hours can be possible in our institution by our own faculty members for which a formal approval of the Academic Council or Sub-committee or by the GB is necessary. The syllabus or the theme of the certificate course must be out of syllabus of the concerned department and it should continue 30 hours duration minimum and also more than a week.

As there is no issue to discuss in miscellaneous, the meeting closed by giving vote of thanks to the chairman of today's meeting.

Meeting Resolution of the IQAC, held on 19/11/2019

According to the agenda No. 1 the coordinator go through the whole resolution adopted in the previous meeting held on 12.04.2019 at smart class room and present details report over it. After giving satisfactory answer to the questions raised by the honourable members regarding issue the whole resolution was accepted unanimously.

Total ATR was presented by the coordinator as per the 2nd agenda. He informs the house that all the decisions taken in the meeting are trying to implement. Few were not actualized as per our desirable level, like the issue of e-content development and arrangement departmental seminar. As all the teacher are not expert on handling the ICT or developing the E-content, so it is not possible for them to manage it in quick time along with providing their offline or traditional hard copy content to their concerned departmental student. However most of the teachers are trying to get habituated with the issue. Secondly passing through the tight schedule of academic calendar of University of Kalyani no departmental seminar has been organised by the departments. Besides this shortcoming other new initiatives are properly implemented and students are getting benefit of that. Initiatives Like Bar-code tracking system, Best Student Award, introducing the certificate courses are creating an impactful environment among the students. Particularly the department of Mathematics has already completed the certificate course on C- Programming and distributed their certificates. The house is satisfied by the progress which has been made throughout the last 6 months in the field of academic and administrative sections.

According to the 3rd agenda coordinator informs the house that as per our decision taken in the previous meeting we have successfully upload our IIQA and SSR. The clarifications raised by the DVV, NAAC were also addressed in due time. But unfortunately we have not clear the required 30% marks against the qualitative matrix, which is essential for peer team on site visit. NAAC has already sent us a report conveying our Strength and weakness on the basis of our qualitative matrix. Actually in a nutshell it has been found due to unproductive two years of assessment i.e. 2014-2015, 2015-2016 is damaged the score sheet. The activities have been shown in the SSR is basically organised in the last two years i.e. 2017-2018 and 2018-2019. But when total number goes through the process of average score we are lagging behind the bench marks. Unaudited accounts, low performance in the sector of- ICT teaching learning, conducting the extended activities, Library management, conducting certificate course, value added courses and student support and progression are the responsible factor for our low score. Apart from this no single career guidance programme and other student support programme has been organised in the particular assessment period, which is basically highly impactful to cross the bar of DVV criteria. The house considers the lacunas seriously and committed to recover it with a very active involvement.

The house decided to upload or resubmission the IIQA and SSR by next July, 2020. Then we should include the productive year like 2019-2020. This time we have to move forward more organised and comprehensive manner.

As per the 5th agenda the coordinator asked the house to introduce interclass cultural and cocurricular activities. It will not only help us to find out the best performer or the talent, but also create an competitive health academic environment. All round development of the students will be assessed by their co-curricular activities. The chairperson appreciated the initiative and requested the members to implement it properly.

The chairperson informs the house as we have already collected feedback from our prime stakeholder we need to enlarge the section of respondents. The teachers, the parents and the alumnus may also play a very important role in the way of institutional development. So we must count their suggestions and valuable opinions. The member of the Feedback subcommittee is assigned to prepare the feedback sheet applicable for the above mentioned three sections.

To built up our students more research oriented and to familiar them how to prepare the project paper the house has decided to inspire every department to prepare project paper on the basis of the syllabus module. By doing this field visit and involving the concerned departmental student the knowledge of reality will be enhanced.

Again to motivate and to inspire our students to get good result in the semester examination the house has decided to award the 1st class 1st of every department after completing the semester – End – Examination.

The meeting was closed by offering vote of thanks to the chairperson.

Administration should look after the issue of toilets and drinking water.

I

There are many shortcomings in the infrastructure of the institution, but there are always solutions to any problem.

Job oriented courses are needed.

there should be a digital class room for each department, and departmental library, white board for each class room, drinking water facilities for students at every floor, inclusion of new books based on the new syllabus.

Resolution of the Online Meeting held on 03.02.2021(IQAC)

Proceeding of the online meeting held on 03.02.2021, Wednesday at 2.30 pm through Google meet, Sri Kaustav Bhattacharyya, honourable Teacher in Charge presides over the meeting and all the members of the IQAC have joined in time. After getting the permission of the chaired the following agenda of the meeting is discussed and decisions are taken unanimously. Dr. Joydev Bhattacharyya, Assistant Professor, Department of Mathematics, and Coordinator of AAA of our college is also invited to join. As per 1st agenda coordinator read out the previous meeting agenda (held on 19.11.2019) before the house and after providing some answers against the query of the members the resolution is accepted by the house unanimously.

Webinars organized:

Coming to the 2nd agenda, coordinator informs the house that due to the Lockdown for COVID-19 after a long gap the meeting of the IQAC is being arranged through online mode. In between this time from March,2020 to January,2020 there has no meeting been arranged by IQAC. He also conveys that regular activities by NSS, NCC and other academic and external activities initiated by IQAC also get hampered for lockdown. Though various departments in collaboration with IQAC have arranged several (10) number of webinars on different topics, relevant for our students which was really impactful for exchanging the academic ideas.

Online certificate courses:

Again, he added before lockdown as per the IQAC meeting and guideline of NAAC, the few departments have conducted Certificate courses on relevant topics including NCC. In time of lockdown an online multidisciplinary Certificate Course on 'Introduction to Population Dynamics' is conducted by jointly department of Mathematics, Zoology and Botany. Every member present in the meeting praised this effort.

Installation of solar panel and Postposed of Best student's award:

Coordinator continued that in its 1st meeting IQAC decided to apple to GB for installation for a Solar Panel for better environment management and also to reduce the consumption of electric bill. He informs the members that much waited demand is fulfilled and Solar panel is installed in the college roof. Teacher in charge, chair of the meeting added that though the college has successfully conducted Best Student Award in the previous academic year, but he appeals to members to postpone the event this year. After regularizing the college and teaching learning it will be continued as earlier. For this year it should be postponed. After giving due consideration on this issue, members of the meeting have given their consent on the proposal of chair.

Promotion under CAS:

As per the 3rd agenda of the meeting the house unanimously decided to proceed the case of promotion with CAS of Dr. Achintya Dey, Assistant professor in Bengali, from Stage-II to Stage-III and Dr. Samit Paul, Assistant professor in Physics, from Stage -I to Stage-II and asked the coordinator to take necessary steps as per norms.

Feedback for AY 2020-2021.

By agenda 4th it has been decided that online feedback on academic other relevant issues will be taken soon from the students of the different semester as NAAC guideline. The process for taking feedback and restructuring of questionnaire, analysis of the collected feedback will be assigned to the feedback subcommittee.

Digital Library Management:

As per the agenda no.5 the housed asked the Librarian to inform the house about the status of Digital Library management or installing the KOHA software. Coordinator added several colleges has opened their library for the students of upcoming semester students. He also added that before lockdown college have purchased new books according the new syllabus, but till now it has not proceeded. The students who are paying for the book and eligible to get their relevant books from the library are being deprived. So steps are needs to be taken. As per the request of the Chaired the Librarian Mrs. Mita Paul agree to go in college for managing the work and also contact with the vendor to move it quickly.

MOU with RKVCC, Rahara:

Finally, coordinator informs the house that to gain more score in NAAC we need to singed MOU with different reputed academic institution and initiate more academic works like certificate course, skill enhancement courses or to promote student exchange programme. Now Ramakrishna Mission Vivekananda Centenary College, Rahara has given its consent to sign a MOU with us and ready to go joint for several academic initiatives. They invite us to conduct a certificate course on 'Value education' for our students and for this the Mission will provide the training to our resource persons. The members of the house unanimously accept the proposal and request to proceed.

In the miscellaneous section coordinator Prasenjit saha, requests the house to provide no objection to apply RNI registration and Title verification for the bi-annual Magazine published by department of Political Science, of the college. House unanimously given its consent and asked the member to proceed.

As three is no agenda the meeting closed by offering thanks to Chair and other members of IQAC.

Time: 10.30 am, date-26.05.2021

Proceeding of the online meeting of the IQAC of Karimpur Pannadevi College held on 26.05.2021, at 10.30 am through Google Meet, Sri Kaustav Bhattacharyya, honourable Teacher-in- Charge presides over the meeting and 8 members of cell out of 10 the members have joined in time. Two other Invited Teachers Sri Krishna Chandra Ghosh, Assistant Professor (NSS, Coordinator) and Dr. Sujit Kumar Biswas, SACT (Care Taker Officer of NCC) also have joined the meeting in due time. After taking the formal permission of the chair the following agenda of the meeting are discussed and decisions are taken unanimously.

Members present:

- 1. Sri Kaustav Bhattacharyya
- 2. Sri Sukdev Pal
- 3. Smt Kakali Bandhopadhyya
- 4. Dr. Samit Paul
- 5. Sri Atanu Ghosh
- 6. Sri Rahul Chowdhury
- 7. Dr. Sujit Kumar Biswas
- 8. Sri Krishna Chandra ghosh
- 9. Smt Mita Paul
- 10. Sri Prasenjit Saha

Agenda No.1 Approval of Previous Meeting Resolution:

The Resolution of the previous online meeting (held on 03.02.2021) has been read out by the coordinator and clarify some quires. He also informs the Actual action taken report against the resolution. The Digitalization of the library is again hampered due the lockdown and the Value education courses in collaboration with RKVCC, Rahara is not possible to proceed for the same reason. Members of the house then unanimously accept the resolution.

Agenda No.2 Status of the Departmental Rooms and Browsing Centre:

IQAC has already proposed to the GB for constructing the departmental rooms and browsing centre for our students. Because it will enhance the student support system. The Chairperson Sri Kaustav Bhattacharyya and the Bursar of the College Dr. Samit Paul have informed the house that both the issues have been consider by the GB positively and the GB requests the Teacher members to formulate a Plan and estimate a budget for the same as early as possible. The Teacher in charge informs the house that the work has been started as per the guideline of the GB.

Agenda No. 3 Tenure of IQAC and renew the cell:

Coordinator draws the attention of the house regarding the 2 years tenure of IQAC and requests to discussed the issue in the house comprehensively. The coordinator and the cell should be restructured as per the NAAC guideline he opines. But the discussion it has been unanimously decided that no change will be made of the existing IQAC and it will be continued. A formal appeal for extension will be forwarded by the TIC to GB.

Agenda No. 4. Decision over different Criteria:

The Coordinator raises some important criteria of the SSR where our HEI have the potential to make a good score. He informs the house that several time he asks the departments to take initiative regarding these issues but majority does not pay any attention. So, it has been decided by the house an online meeting will be arranged by the TIC immediately with HODs and senior faculty members of the departments including IQAC to discuss the issues and to identify their problems.

The issues like, Departmental Profile(for college website), Departmental track records, Departmental Meeting, Mentor- Mentees meetings, cocurricular activities by the departments are very important for the shake of the HEI in assessment and accreditation. Coordinators informs a sample of the departmental profile and Departmental track records have been made which will make very easy for the departments to provide the necessary information.

Agenda No. 5 NCC and NSS activities:

As per the NAAC guideline these two wings of the HEI are playing very important role to provide a good score in assessment process. But the paucity of the fund and restriction for Covid-19 no major works have been conducted by the wings for last 7 months. Now the house requests both invited members to chalk out the porgramme or some extension activities and maintain the records for future. To arrange the same college will provide necessary funds.

Agenda No. 06: Installation of Students Addressal System and Playing of National Anthem daily.

Coordinator proposed that due to not having any kind of addressal system (audio or visual) the authority have to face many problems to address its many announcements in time of college, emergency meeting or issues relating to classes. Moreover if we may able to introduce to play the National anthem daily a good spirit of nationalism will be inculcate among our stakeholders. The members of the house unanimously approved the same and request the chair to take necessary action to implement the system at his early.

At last, the Coordinators informs the website of our college is now revised and updated. It is now designed according to the NACC or SSR matrix. He added that the NAAC equally treated the seminars and webinars. So, more we arrange the webinars more we get the benefit.

Regarding the data of the SC/ST/OBC/Minority scholarships it has been found that the college has not the capacity to keep the records of the incumbents, because the money has been transferred by the concern authority directly to the accounts of the students. But the data is necessary for the IQAC to fill out the critaria of the SSR. Now after a discussion it is decided that college should make an appeal to the concern BDO office and asking for the same and the office will provide the same.

As there is no issue to discuss Sri Sukdeb Paul senior members of the house in absence of Sri Kaustav Bhattacharyya conveys the vote of thanks to members and announces the end of the meeting.

Resolution of the online Meeting

No.02/2021-2022

Meeting Link: https://meet.google.com/dwg-iybq-bxp

Time: 07.45 pm, date-25.05.2022

Proceeding of the online meeting of the IQAC of Karimpur Pannadevi College held on 25.05.2022, at 07.45 pm through Google Meet, Sri Kaustav Bhattacharyya, honourable Teacher-in- Charge presides over the meeting and 12 members of cell out of 15 the members have joined in time. The first meeting after the newly reconstitution of the Cell (w.e.f 1st April 2022,) has been started to in presence of following members and after taking the formal permission of the chair the following agenda of the meeting are discussed and decisions are taken unanimously.

Agenda No:1:- ATR of the previous meeting:

As per the 1st agenda of the coordinator read out the resolutions of the two previous meeting (held on 26.05.2022 and 19.02.2022) and also informed the house about action taken report on all issues. Only one issue, Departmental rooms and browsing center which was not progressing at all due to some technical and financial issues, as Teacher-in-charge have informed the house. As there is no note of decent, the resolutions of both of the meetings are accepted and duly approved by the house.

Agenda: 2:- Fixing the final time line for NAAC and SSR Uploading:

Coordinator raised the proposal to decide the final timeline for IIQA and uploading data for SSR for NAAC accreditation and Assessment by NAAC. He also informed the house we have done a satisfactory work in last five years and if we wait for next two or one year then unproductive Covid-19 or lockdown period will be under assessment period. Then result will different. Honourable member from the Employer or management Smt. Swagata Das Mahanto, Principal, Chakdaha college, Nadia opined that we should fixed a immediate goal and target to go for NAAC, otherwise it never be becomes delayed. As this college is not yet Accredited and assessed for a single time, so wait for more one or two years will not be wise decision. All other members of the house unanimously opined that they are confident on the basis of the activities of last five years of IQAC of college it is the right time to apply for NAAC. Finally it has unanimously decided to go for NAAC in coming academic year that is July or August, 2022.

They also highlighted the issue that now we are in a better position compare to previous appeal and our forwarding steps will create positive impact among our other stakeholders. So finally it has been decided the IQAC will go for IIQA and SSR in commencement of next academic year, end of July or first week of August, 2022.

Agenda:3:- Introducing Honours in Zoology and Botany:

In this agenda the proposal was to convert Botany and Zoology as Honours course from the present General or pogramme course as well. Sri Kaustav Bhattacharyya, informed the house that there is problem in post sanctioned, at present both of the department have only one teacher faculty and restriction over there to take any teaching staff by college authority. He also added that an appeal has submitted to him and also in DPI to open a new course on Arabic Language. After his points Dr. Swagata Das Mahanto we should be dynamic in this issue. Considering the existing resources, we have to go for either Arabic or conversion of Zoology and Botany into honours courses. Coordinator also highlighted that NAAC is always asking to promote new courses in the college, but we remained same from last 15 years, no application is being

forwarded for new courses to the higher education Department. So, situation has come to move forward after duly affiliation of the GB of our college.

Agenda:4:- Initiatives to convert Geography course form a Self-finance course to government sponsored course:

In this agenda Coordinator raised the proposals to convert the Geography honours from a Selffinance course to a full-fledged government sponsored course line others. His arguments in this regard are: Now the teachers of this department are getting their salary from government fund. Next, in time its commencement 2011, the University or the authority hold that to continue a newly introduced practical based course in our college the self-finance was necessary. But now we have to rethink about it. It does not go with our Vision and Mission, which emphasizes to cater the high-quality education to the rural stakeholder on equity basis. If the student has to pay a big amount of tuition fees or admission fees after 12 years of its commencement then it contradicted with our mission. So now we have to go ahead and proceed for some simple steps for promoting this issue. All other members have given their kind consent over the issue. Dr. Swagata das Mahanto have highlighted that we need to reduce the admission fees (which 8000/- at present,) is collected only for the Geography for being a Self-finance course. If we reduce 4000/- and collect 4000/- (for excursion and Lab maintenance charge) in addition to other charges as it is prevailing, then it would be helpful for the students. Dr. Samit Paul strongly supported her view and informed the house that it will increase the enrollment of the students definitely. He also added that we are just reducing the 4000/- out of total existing free structure of Geography honours. The house accepts this proposal unanimously.

Agenda:5:- Incentive to outgoing students have secure admission to Regular PG in Government University.

A new innovative practice is being proposed to introduced by the coordinator for increasing the enrollment in Regular PG courses of our outgoing students. He argues that as per the NAAC assessment process we have to show how many of our pass out final year students are admitted to the higher studies or Regular PG courses. The institutional credibility is depending on that indicator also. This average is not satisfactory in our college at all. Students who have secure good marks or hav3e the eligible marks to enter in University for pursuing their PG course in their respective subjects are not admitted for the same. Financial problem is one of the main constrains for them. Just to encourage for their further studies if the college has a scheme to provide financial assistance (as the institutional capacity) in form of incentives to those who will continue their PG course of study in Regular mode at Government University, it will surely

enhance the enrollment status and promote the vision of the Institution indeed. Prof. Samit Paul and Kaustav Bhattacharyya also support this scheme by saying that we should have a caping system in time of providing this incentives from our institutional perspectives. The other members appreciate this initiative. Coordinator asked it will be better if we may able to introduce this programme form this academic year and students of the current 6th semester are getting the opportunity to enjoy the benefit of this scheme.

Agenda No. 6:- Review the Status of Departmental rooms:

Discussion on the status of new class room and departmental rooms has been initiated by house. Teacher-in-charge, Sri Kaustav Bhattacharyya informs the house that this issue has already been discussed by the GB but no satisfactory result has come out in this regard. Paucity of fund and other administrative issues are main constrains.

Agenda No 7:- Formation of NAAC steering committee:

A discussion was initiated by the house on formation NAAC steering committee of our college for the NAAC Assessment and Accreditation. TIC, Sri Kaustav Bhattacharyya informed the house we have no NAAC Steering committee before and also NAAC has no proper guideline in this regard. He asked Professor Swagata Das Mahanto to share her views on this issue due to her experience to conduct a NAAC in her institution by NAAC steering committee. Prof. Mahanto said that they had formed NAAC steering committee only to face the NAAC process, preparing the SSR and also to communicate with Peer team. She also continues that 7 member has to be there for 7 criteria as all are concern for the SSR. Each member will take care of each criterion under his capacity. He or she collect and prepare all the documents and data regarding each indication under the criterion. Coordinator of the IQAC informed the house that this standard practice is followed by almost all HEI regarding the formation of NAAC steering committee. House unanimously accept the proposals and request Chairperson to form the same as early as possible for upcoming NAAC.

Approved the Several Initiatives:

In the miscellaneous section coordinator informs the house that during this academic year IQAC has initiated several programmes which was necessary for enhancing the quality of our academic atmosphere. First, from the month of April this year the HEI has introduced a "Daily dairy" maintaining system (as directed by GB and proposed by IQAC) for the teachers, which will help in their promotion in CAS. Secondly, our HEI signed a MOU with Ramakrishna Mission Swami Vivekananda Ancestral House and Cultural Centre, Kolkata to promote various value education programme for our stakeholders. Thirdly, IQAC has introduce the 'GRACE programme' to enhance soft skill for our 4th and 6th semester students by providing

training and guidance on University Entrance examination for PG, Admission to different reputed Institutes or cracking the different competitive examinations after their completion of graduation in respective subjects. Departments like Mathematics, Chemistry, History, Political Science, Zoology and Botany have stated to take classes out of the schedule routine in blended mode for the month of May, 2022. Again Coordinator inform the house that an Add on course has been started for 35 hours on "Spoken English, Reasoning and Competitive Maths" in collaboration with RESONANZ the Career guidance agency. 25 students have already registered for this course. For this course students have to pay fees 450/-(Four hundred and fifty only) and rest of the amount will be paid by the college. The house approved all of these initiatives were taken by the IQAC.

Finally, Coordinator informed the house that IQAC has collected Feedback regularly from our stakeholder and teachers. There are some issues which have been identified by the teachers and students in providing their feedback and it should be discussed by the honourable GB to take further initiative to comp up the issues.

At the end coordinator conveyed the members of the house that all the decisions taken in today's IQAC online meeting will be finally placed before GB through Teacher-in-charge in due time and its effective implementation is depends under consideration of honourable GB. The meeting ends with providing vote of thanks to all the members and Presidents of the house.

Resolution of the IQAC meeting

Emergency meeting 03/2021-2022

Date: 24.06.2022, Time 12.00 pm, Place: TIC room

12..00 pm at Computer lab under the Chairmanship of Sri Kaustav Bhattacharyya, honourble

Teacher-in-charge and in presence of 11 members the following single agendum was

discussed and decision taken unanimously. .

This was a single agendum meeting to form the NAAC steering committee as per the

resolution of the IQAC meeting held on 25.05.2022. Coordinator informed the objectives and

functions of this committee and also request the Co-ordinator of the NAAC Steering committee, Dr. Joydeb Bhattacharyya, Assistant Professor of Mathematics to propose the

name of Resource persons criteria wise.

Dr. Joydeb Bhattacharyya informed the house all seven criteria along with its indicators and

request the house to initiate discussion on this issue. After a threadbare discussion the house

today have confirmed names as per criteria of the SSR to take over charges of the Steering

Committee unanimously. Thus, the steering committee formed as follows: (Name are

mentioned according to their entrusted criteria.)

Co-ordinator : Dr. Joydeb Bhattacharyya

Critaria: 1- Dr. Joydeb Bhattacharyya, Sri Sukdeb Paul and Smt. Kakali Bandopadhyay

Critaria: 2- Sri Bipul Sarkar, Sri Krishna Chandra Ghosh

Critaria: 3- Dr. Joydeb Bhattacharyya, Md.Latif Hossain, Dr. Mrinal Kanti Das

Critaria: 4- Dr. Mrinal Kanti Das, Mita Paul, Sri Sukdeb Paul, Iftikar Rahaman.

Critaria: 5 - Sri Nayan Sarkar, Sri Atanu Ghosh, Dr. Sujit Kumar Biswas

Critaria: 6- Dr. Samit Paul, Dr. Joydeb Bhattacharyya, Sri Anada Gopal Seal

Critaria: 7- Iftikar Rahaman, Sri Bipul Sarkar.

IQAC coordinator is requested to make essential correspondence with relevant details of the criteria along with documents with the members immediately to execute the decisions.

In further extension of the discussion, it has also been decided that the GRACE programme will be shown as 2nd Best practice of our college as mentioned in the format of SSR in criteria no. 7. The Programme is being introduced to trained our students for their further university entrance and other examinations. Teachers are voluntarily taken their classes excluding their schedule routine class and added extra value to our students' academic knowledge canvas.

Finally the house unanimously decided to proceed for installing the public addressal system and to playing National Anthem regularly in a fixed time to create a motivational and national feeling to all our stakeholders irrespective of class, caste and religion. This practice will be the most distinctive in nature to show in the SSR.

As there is no agenda to discuss the meeting closed by giving vote of thanks to the chair and to all members of the house.

Action taken report against feedback:

The Governing Body of the College has acted on the following issues raised by the stakeholders in the feedback:

- (i) Delay of automation of college library.
- (ii) Poor condition of college canteen.
- (iii) Inadequate departmental classroom and staffroom.

The GB has decided to prompt the library automation process.

Tender is invited to renovate the college canteen.

The GB opines that since there is no inmate in the Ladies Hostel of the college, the building may be used to meet the dearth of departmental rooms and class rooms.

<u>Professional Development of Teaching and Non-Teaching Staff:</u> 29th-30th May and 1st June,2018

A. It has been found that due to the revolutionary changes in IT sector and for the generation gap some of our teaching and non-teaching staff are not very much comfort in using the modern ICT. To cover the gap and enhanced their skill a workshop was arranged successfully on 29th-30th May and 1st June,2018 at college smart class room. The title of the programme was "Hands on Basic Computer Workshop". 22 teachers and Non-teaching staff participated in that programme. 4 faculty members Dr. Joydeb Bhattacharyya, department of mathematics, Dr. Samit Paul (Department of Physics), Sri Rahul Chowdhury (Department of Physics) and Sri Kisor Baulia (Department of English) has acted as resource person in that programme.

Brief Completion Report of the Orientation Programme of 1st Semester 2019-2020 (27/08/2019)

IQAC of our college has arranged this Orientation porgramme regular basis for imparting the rules and regulations of CBCS system to our newly admitted students. As it has been found that most of our students are coming from first generation background this programme has a tremendous impact on them and for the institution also. In this programme students were informed not only on their semester system and other University rules of study, also with the Institutional class routine, access of college website, service offered by the college office etc. Almost 278 students attend this pogramme for different subjects. Teachers of various departments have highlighted on various issues to motivate them related to their course of study.

Brief Completion Report of the National Level One Day Online Workshop Webinar on "The Open Way of virtual Learning and Issues of Plagiarism"- was held on 29th August, 2020, organised by the Department of Library in collaboration with IQAC of Karimpur Pannadevi College and in association with Jalangi Mahavidyalaya, Murshidabad, West Bengal.

Let me have the pleasure to state that the Department of Library of our college in collaboration with IQAC and association with our MOU partner Jalangi Mahavidyalaya has successfully conduct the one day National level workshop on "The Open Way of virtual Learning and Issues of Plagiarism" - was held on 30th August, 2020, We have tried to shape this workshop as a Professional development programme. The topics and theme of the workshop have been organised such a manner by which the scholars, academicians, researchers and other fellow may get a way out on how to use the open learning issues and making a clear idea on plagiarism which is really be a significant unfolded area before our academician. To get familiar our students with this various aspects of these contemporary issues the library resource management the workshop is undoubtly got a grand success. Two erudite scholars on this field theme Dr. Ramesh C. Gaur, Professor, Dean and Head of the Kalanidhi Division,(IGNCA), Ministry of Culture, Government of India and Dr. Parthasarathy Mukhopadhyay, Professor and Head of the Department of Library and Information Science, Kalyani University, West Bengal delivered their resourceful presentation on the theme of this online workshop from different dimensions. Almost 806 (Eight hundred and six) participants across the country have participated in this online workshop. The present workshop elaborately highlighted on how to detect and avoid the plagiarism. The various sources and methods to avoid the plagiarism have been explored by Dr. Ramesh. C. Gaur and different online sources for open learning and their using guiding manuals have been described quite interestingly by Professor Dr. Parthasarathy Mukhopadhyay. All the participants submitted their feedback have received the E- certificate of participation.

Brief Completion Report of the Orientation Programme of 1st Semester 2021-2022 (27/10/2021)

The HEI in collaboration with IQAC of our college has arranged this Orientation porgramme regular basis for imparting the rules and regulations of CBCS system to our newly admitted students and get familiar with different facilities which has been provided by the HEI. As it has been found that most of our students are coming from first generation background this programme has a tremendous impact on them and for the institution also. In this programme students were informed not only on their semester system and other University rules of study, also with the Institutional class routine, access of college website, service offered by the college office etc. Almost 1200 students attend this pogramme for different subjects in online and over 2000 students have gone through with this video. Teachers of various departments have highlighted on various issues to motivate them related to their course of study including NCC and NSS. Feedback is collected from the participants of the programme.

Brief Completion Report of the Awareness Camp on Student Credit Card (21/12/2021, Tuesday, 12.30 pm)

An Awareness Camp on Student Credit Card on 21st December, 2021, Tuesday at 12.30 PM, was organised by our college for propagating the various benefits of the Student Credit Card Scheme, which was initiated by the Government of West Bengal to ours students in our college auditorium. As it has been found that most of our students are coming from first generation and belongs to financially poor background this programme had a tremendous impact on them and for the institution also. The basic objective of this camp is to highlight the main content of the scheme, the process of apply and different guideline for getting the credit of the students. Teacher-in-charge Sri Kaustav Bhattacharyya and nodal officer Dr. Samit Paul has discussed the government noble objectives behind the scheme and encouraged the students for applying the card to continue their studies without any financial obstruction. The interactive session at the end on various technical issues to motivate the participants. Almost 180 students from different semesters and subjects have participated in this camp.

Personality Grooming and Modern Value Based Education

Programme Under MOU with Ramakrishna Mission Sikshana Mandira, Belur Math, Howrah

(06.03.2019, at 12.00 pm at college smart class room)

I have the pleasure to express the successful completion report of the Value Education Programme on "Personality Grooming through Modern Value Based Education" on 06.03.2019 at college smart class room by IQAC. It was a part of our MOU programme with Ramakrishna Mission Sikshnamandira, (Autonomous B.Ed. college) Belur Math, Howrah. Swami Divynandaji Maharaj, honourable Trustee, Ramakrishna Mission Mat and Mission, and Secretary, Sarada Pitha, Belur Math, Howrah have delivered an insightful lecture the topic and infuse the ideas of "Unselfish way of Social service to achieve good character" before our students. Almost 125 students and 20 teachers of our college attended the programme and got illuminated by his speech. Programme was successful to spread the values of social service and motivate them to engage with their character building.

Brief Completion Report of the National Level One Day Online Workshop Webinar on "The Open Way of virtual Learning and Issues of Plagiarism"- was held on 29th August, 2020, organised by the Department of Library in collaboration with IQAC

of Karimpur Pannadevi College and in association with Jalangi Mahavidyalaya, Murshidabad, West Bengal.

Let me have the pleasure to state that the Department of Library of our college in collaboration with IQAC and association with our MOU partner Jalangi Mahavidyalaya has successfully conduct the one day National level workshop on "The Open Way of virtual Learning and Issues of Plagiarism" - was held on 30th August, 2020, We have tried to shape this workshop as a Professional development programme. The topics and theme of the workshop have been organised such a manner by which the scholars, academicians, researchers and other fellow may get a way out on how to use the open learning issues and making a clear idea on plagiarism which is really be a significant unfolded area before our academician. To get familiar our students with this various aspects of these contemporary issues the library resource management the workshop is undoubtly got a grand success. Two erudite scholars on this field theme Dr. Ramesh C. Gaur, Professor, Dean and Head of the Kalanidhi Division,(IGNCA), Ministry of Culture, Government of India and Dr. Parthasarathy Mukhopadhyay, Professor and Head of the Department of Library and Information Science, Kalyani University, West Bengal delivered their resourceful presentation on the theme of this online workshop from different dimensions. Almost 806 (Eight hundred and six) participants across the country have participated in this online workshop. The present workshop elaborately highlighted on how to detect and avoid the plagiarism. The various sources and methods to avoid the plagiarism have been explored by Dr. Ramesh. C. Gaur and different online sources for open learning and their using guiding manuals have been described quite interestingly by Professor Dr. Parthasarathy Mukhopadhyay. All the participants submitted their feedback have received the E- certificate of participation.

To Most Revered Srimat Swami Divyagunanandaji Honurable Principal Ramakrishna Mission Sikshanamandira (College of Teacher Education) Belur Math, Howrah, PIN 711202

Subject: Formal acknowledgement for the kind consent to deliver a talk on "Selfless service and Character Building" (online mode) on 06th of March, 2022 at 7.00 PM in the occasion on NSS Special Camp organized by NSS Unit of our college.

Most Revered Maharaj,

I have the pleasure to inform you that Karimpur Panndevi College has got the opportunity to sign a MOU with your most prestigious Institution on 2018 (need to be renewed after April). The basic purpose of this initiative is to promote Value based education and propagating the Man making ideas of Swamiji and mobilizing our rural stakeholders for their all- round development by initiating different extension activities.

Now after a prolong pandemic hurdles and lockdown all the physical regular activities related to the mental and spiritual wellbeing have been started by our Institution and in this connection a Special Camp for seven days is going to be organized by or NSS Unit in the adopted village. Now to motivate our students on "Selfless action" we have decided to organized a talk during this camp, which will give them a proper guideline and mental shape to build their character.

We are pleased to convey our sincere gratitude to you that as per the telephonic conversation with Dr. Siharan Chakraborty (Assistant professor) of your HEI, we have come to know that you have given your kind consent to deliver your resourceful talk on the said topic. We are sure that our stakeholder of all level will be benefited immensely by your illuminative deliberation and we take the opportunity of MOU in extend. The proposed Flyer, banner and all the formalities of online registration will be communicated very shortly.

Pranams again and craving your blessing bestowed upon us.

From The Principal / Teacher in - Charge / Secretary

Most Revered Srimat Swami Jnanalokanandaji Maharaj,

Secretary, Ramakrishna Mission Swami Vivekananda's Ancestral House and Cultural Centre Kolkata & Honourable Trustee, Ramakrishna Math and Ramakrishna Mission

Subject: Prayer for organising Certificate Course on Value Education in collaboration with your Institution.

Most Revered Maharaj,

Let me have the honour to inform you that IQAC (Internal Quality Assurance Cell) of Karimpur Panndevi College has proposed to organize Certificate Course on Value Education, jointly with other departments in collaboration with Ramakrishna Mission Swami Vivekananda's Ancestral House and Cultural Centre by maintaining standard protocol of UGC and NAAC.

The objective of this endeavour is to promote Ethical and Moral Values and induce the ideas of Swami Vivekananda among our rural stakeholders for their all-round development in becoming a perfect human being with a strong character. I do hope this joint venture will surely help to spread out the very idea of 'Enlightenment Citizenship' among our students.

The prolonged lockdown of educational institutions due to Covid pandemic has told upon the mental and spiritual health of students which will be very unfortunate if it leads to deep depression and frustration among the students and affect the green of their psyche. We seek to manipulate this situation by organizing a series of Value based educational programmes or lecture series in collaboration with your Institution to instil morality and confidence among students to bring them out of this dark abysmal situation. So we request you to kindly respond to our prayer to jointly organise Certificate Courses on the above-mentioned issue through blended mode (both off-line and on-line as it would permit). Hope you will kind enough to grant this opportunity for our HEI.

Thanking you in anticipation for a favourable response and offering my heartfelt regards to you, I remain,

Sincerely yours,

(Kaustav Bhattacharyya)

Ref. No. 19/21(29)

To The principal Karimpur Pannadebi College, Karimpur

> Sub: Values Education programme in your esteemed college. Ref: your mail dated 20th August 2021.

Dear Sir,

It is heartening to receive your mail dated 20th August 2021 on the above subject. You are aware that Ramakrishna Mission through its numerous centres are conducting value education programmes in various forms like students convention, students meet, youth convention, youth workshop etc. Even teachers' & parents' orientation programmes are also conducted separately. We are also conducting these programmes in various forums and particularly in schools and colleges.

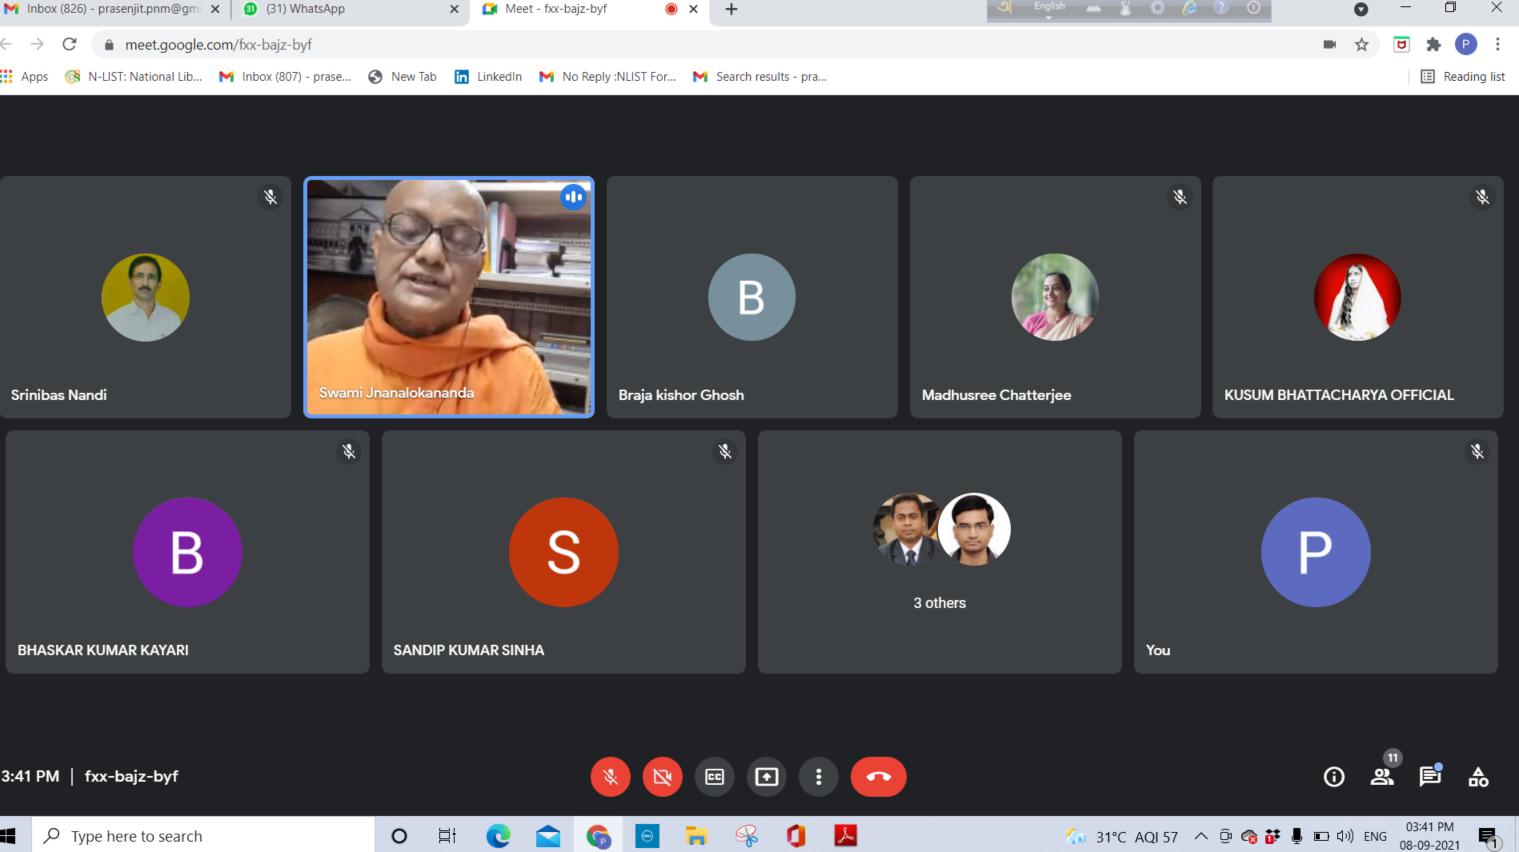

Our programmes were of one day or half day duration. It was a non-formal one. Your mail has provided an impetus to us to go for a sustained formal programme with a preset syllabus. We feel that this would serve as a fillip to the subject as a whole and particularly in colleges.

Values are being practiced by human beings since the very beginning of civilization. We have to remember that sustained and prolonged practice only would bring out the desired result. This is a constant pursuit for excellence.

We would be happy to join in this endeavor of your college on and from a mutually convenient date within a short time.

Wishing all the success for the programme.

Minutes of the virtual meeting (held on 08.09.2021) with the Resource Persons;

A virtual meeting was called by Revered Srimat Swami Jnanalokanandaji Maharaj and also chaired by him on 8th Sept. 2021 at 3.30 pm. The meeting discussed the syllabus, class timings, approach to conduct the classes, faculty allocation, technological requirements, and ways to evaluate the students/participants for the ensuing formal 'Value Education Course' in two different colleges. The colleges are Bidhan Chandra College, Rishra, Hooghly and Karimpur Pannadevi College, Karimpur, Nadia. The basic fundamental guidebook would be 'মূল্যবোধে ধন্যজীবন' (MULYABODHE DHANYJIBAN) written by Revered Srimat Swami Jnanalokanandaji Maharaj.

The participants in this virtual meeting were:

- 1. Swami Jnanalokanandaji Maharj.
- 2. Prof. Arijit Sarkar MCKV Institute of Engineering Liluah
- 3. Prof. Bhaskar Kumar kayari Abhedananda Mahavidyalaya Sainthia.
- 4. Prof. Asis Kumar Pan Bidhan Chandra College Rishra
- 5. Prof. Madhusree Chatterjee Bidhan Chandra College Rishra
- 6. Prof. Srinibas Nandy Raghnathpur College Purulia.
- 7. Prof. Jyoti Prakash Mandal Raghnathpur College Purulia.
- 8. Prof. Pralay Kundu Raghnathpur College Purulia.
- 9. Prof. Pankaj Sarkar J K College Purulia
- 10. Prof. Jaydeb Bhattacharya Karimpur Pannadevi College, Karimpur.
- 11. Prof. Samit Paul Karimpur Pannadevi College, Karimpur, Nadia.
- 12. Prof, Iftikar Rahaman Karimpur Pannadevi College, Karimpur, Nadia.
- 13. Prof. Prasenjit Saha Karimpur Pannadevi College, Karimpur, Nadia.
- 14. Smt. Kusum Bhattacharya Head Mistress Howrah Deshbandhu Balika Vidyalaya.
- 15. Sri Sandip Kumar Sinha Head Master Jamaibati High (HS) School Haripal, Hooghly. And
- 16. Braja Kishor Ghosh.

The meeting started around 3.40 pm, with the recital of Swamiji's Pronam Mantra by Swami Jnanalokanandaji Maharaj, and then welcomed all in the virtual meeting. In his opening address he informed the purpose of the meeting and the formal 'Value Education Courses' to be conducted virtually, in two different colleges, namely Bidhan Chandra College, Rishra, Hooghly and Karimpur Pannadevi College, Karimpur, Nadia. Maharaj also informed that the

course duration would be of total 30 hours including the inauguration and concluding/valediction ceremony. After Maharaj finished, the meeting heard individual conceptions, understandings and views. Sri Braja Kishor Ghosh informed the syllabus in detail and relevant chapters in the book.

All the participants in one voice called this as a great endeavor and prof. Arijit Sarkar called the book 'মূল্যবোধে ধন্যজীবন' (MULYABODHE DHANYJIBAN) as the BIBLE of Value Education. Prof. Prasenjit Saha presented a slide where he gave the details how they are planning to implement the programme in their college. Prof. Madhusree Chatterjee informed about how her college is contemplating to implement in her college.

At the end of the meeting Braja Kishor Ghosh summed up days' discussion with the following outcome.

1. Prof. Prasenjit Saha while speaking about the evaluation process requested that if the resource persons, can submit some questions on the days' deliberation/subject, at least one day before, it would be better for the college to hold the evaluation test.

Prof. Madhusree Chatterjee added to this that the questions may be very short of 1 or 2 marks followed by some multiple choice questions and the answers separately.

It was agreed accordingly.

Coordinator would inform the resource persons well in advance.

2. Prof. Samit informed about the modalities of the classes and told that the Meeting Link would be given to the resource persons 15 minutes in advance of the classes.

It is felt that time may be too short and we need to discuss it further.

3. There was a suggestion that a 'WhatsApp' group may be created so that everyone is connected and aware of new happenings. Rev, Maharaj accepted the suggestion but informed about our scant knowledge on these latest gadgets and services and requested Braja Kishor Ghosh to look into.

The group was created by the evening itself.

4. Prof. Madhusree Chatterjee asked whether some kind of quiz can be made a part of the course syllabus, as that may create extra interests in the minds of the participants.

Rev. Maharaj informed that some quiz master from Rahara Ramakrishna Mission College is available and he even has shown his interest.

Braja Kishor Ghosh accepted it as a very good suggestion and also suggested that on the last day/class of the course, quiz programme may be conducted as part of the course (class) and also as part of evaluation process.

Meeting ended with the shanti Mantra recital by Rev. Maharaj.

Course Highlight

Course Objectives:

It has been found that modern formal and institutional system of education is unable to infuse the moral and character building ideas to our young generation. The scope is limited under these existing formal academic curriculae and syllabi. Due to this gap the youth becoming self centric and forgetting all about their duties and responsibilities to their respective environment, societies and the nation at large. To rejuvenate our generation with idea of Character Building and Enlightened Citizenship and to organise their life properly HEI needs to initiate Value Education based programmes regularly as a part of academic schedule. Now keeping this view in our mind, the IQAC, Karimpur Pannadevi College is going to arrange an Online Certificate Course on Value Education under the guidance of Ramakrishna Mission Swami Vivekananda's Ancestral House and Cultural Centre, Kolkata to fulfill the following objectives:

- 1. To infuse the idea of Enlightened Citizenship.
- 2. To cultivate the moral and ethical aspects of education.
- 3. To share view on how to develop personality comprehensively.
- 4. To empower our students with the science of life management based on Indian Values.
- 5. To highlight the role of students for rebuilding the society.
- 6. To discuss the secret of success by controlling the mind.

COURSE HIGHLIGHTS:

Course Objectives: It has been found that modern formal and institutional system of education is unable to infuse the moral and character-building ideas to our youth generation. The scope is limited under these existing formal academic curricula and syllabi. Due to this gap the youth became self-centric and forget all about their duties to their respective societies and nation at large. To rejuvenate our generation with idea of Character Building and Enlighten Citizenship and to organise their life properly HEI needs to initiate Value Education based programmes regularly as a part of academic schedule. Now keeping this view in our mind, the IQAC, Karimpur Pannadevi College is going to arrange an Online Certificate Course on Value Education under the guidance of Ramakrishna Mission Vivekananda's Ancestral House and Cultural Centre, Kolkata to fulfill the following objectives:

- 1. To infuse the idea of Enlighten Citizenship.
- 2. To cultivate the moral and ethical aspects of education.
- 3. To share view on how to develop personality comprehensively.
- 4. To empower our students with the science of life management based on Indian Values.
- 5. To highlight the role of students for rebuilding the society.
- 6. To discuss the secret of success by controlling the mind.

Daily Attendance Legend:

✓ The student was present then exited, rejoined, then exited again, and rejoined again, etc., etc.

The alternating background patterns indicate that the student may have left and rejoined the Meet

✓ The student was marked present by the teacher (but did not shown up in the Meet window)

The student missed the entire class

Help videos:

To help your eye follow across the page, the table rows alternate between white and grey backgrounds which leads to two subtly different shades of green for the times when the student was present

NB - If you want a printed copy of this report, make sure that the 'More settings' → 'Background graphics' checkbox is checked in the Print dialog
