— *Brief History of the College*

Karimpur is located at the border between Nadia and Murshidabad and is also very near to our neighbouring country, Bangladesh. So the place has its own socio-political and cultural importance from the very beginning. On 4th August 1968 as a 'Home of Higher Education' Karimpur Pannadevi College was established to cater higher education to the people of Karimpur and its vast locality, particularly for the students belonging to the poor and middle-class families who cannot afford to go far off places for meeting the demand of higher education. The establishment of the College was possible with the indomitable zeal of Dr. Nalinaksha Sanyal, an illustrious son of the soil and the donation made by Sri Durga Prasad Agarwala, and the College was named after his wife Pannadevi Agarwala. Patrons of education from all spheres of society supported wholeheartedly towards the foundation of the College, either by contributing cash or by donating land. The College initially started functioning in Karimpur Jagannath High School in the morning shift and later shifted to its own buildings in January 1970.

The College now has a three-storied building measuring about 40,000 sq.ft., with a campus of about 7 acres. Presently the College offers education to around 4,000 students in Arts and Science streams. Students come from different corners of the locality. The college has its well-furnished spacious Guest House and separate Science Extension and Research Block. The college is accredited by NAAC with B+ Grade and has M.O.U. with Krishnagar Women's College, Ramakrishna Mission Sikshanamandira, Ramakrishna Mission Vivekananda Centenary College, Ramakrishna Mission Swami Vivekananda's Ancestral House and Cultural Centre, Jalangi Mahavidyalaya, Netaji Subhas Open University and Resonanz Career Centre.
