Brief Completion Report of the 1st Webinar on “ Environment, Society and Human Beings Under Pandemic Situation”- was held on 3rd July , 2020 by the IQAC of Karimpur Pannadevi College.

Let me have the honour to declare that the IQAC of our college has successfully arranged the **1st Webinar on “ Environment, Society and Human Beings Under Pandemic Situation”- was held on 3rd July, 2020.** Considering the situation the college IQAC have taken an endeavor by which some relevant information can be spread among our prime stakeholders and create the proper awareness among them. To continue the academic discussion by using the online platform in a multidisciplinary manner the event was necessary indeed. All of the three resource persons were from our own institution. Almost 273 participants have registered for the webinar. The three topics of the webinar was chosen to deal with different aspects emerged in this pandemic condition. 1st talk on “How to Boost our Immunity”- delivered by Iftikar Rahaman, Assistant Professor Department of Zoology, of our institution have rightly focused on some basic form immunity , their sources and their role in this condition. 2nd talk on “COVID 19 Out Break In India Compared to Rest of the World”- delivered by Dr. Joydev Bhattacharyya, Assistant Professor, Department of Mathematics, presented the a brief account of COVID-19 outbreak in India from last 3 months by using a very informative mathematical modeling. He also compared the case of India with rest of the world providing some relevant statistics, which make easy for our participants. The 3rd talk form the environment aspect on “Is Mother Nature healing Itself?- A Comparison of Environment Before and After Lockdown of COVID-19, delivered by Dr. Samit Paul, Assistant Professor, Department of Physics rightly highlighted the condition of nature of Indian cities and river and other industrial areas under the Lockdown condition. He pointed out in his resourceful lecture the two dimensional effects of lockdown, in one hand the lockdown damaged the economy of the country, on the other hand it created an opportunity to restore the pure environment. At the end all the resource persons address the issues raised by our participants in the web (Youtube Chat box). The webinar was closed by taking the online feedback from the participants. The responses of the participants proved the appropriateness of the webinar. The certificate of Participation has also been provided to the active participants digitally.
